HAPPY NEW YEAR!

A warm welcome back to everyone for 2018. I hope that everyone had a good holiday and enjoyed some family time together! We are now a third of the way through this academic year and there is lots planned for this term. Please ensure that you check the newsletter on a weekly basis to ensure that you have up-to-date information and if you do not receive it to your email account, please check that we have the right details.

Attendance.

Please make sure that your child is at school every day. Last term we had over 140 pupils who earned Gold certificates for 100% attendance. We know that children who come to school regularly do better, so please ensure that your child is here all the time unless they are unwell.

Punctuality.

School opens at 8.45 and registers are done at 8.55. All children must be in school by then.

Uniform.

Please ensure that your child has the correct uniform and that this is named so that we can return any lost items.

KS2 meal options

If your child changes their meal options, please ensure that you let Mrs Freeth in the office know so that she can amend the records accordingly.

Thank you

Code of conduct for parents and visitors.

You will receive a copy of this tonight. Please read it carefully. The parent forum and two parent Governors have worked on this alongside school staff and the schools solicitors to ensure that we are all clear about what we should expect in terms of behaviour.

Last week.

In the last week of term, we enjoyed parties, Ms Turner's entertainment which involved all the staff performing, a visit from Father Christmas and a trip to church as well as the KS2 performance, which was stunning. It was a very busy week but was lots of fun!

Tesco Blue Chip Initiative.

This has now started and a big thank you to Libby in year 5 who I spotted putting LOTS of blue chips into our collection box at the New Oscott Tesco on Saturday and reminded me to do the same!

Always ask for the blue chips and pop them into the boxes for us. We are aiming to get enough to develop some more planters and an outside oven for our forest schools work as well as planning and seeds.

Reading Breakfast.

This week's reading breakfast is for year 5. Please come along to read with your child and enjoy some breakfast from 8.15 in the Jubilee block.

Free School Meals.

If you think your child could or should be entitled to Free school dinners please let the office know so that we can check. This applies to all parents in KS1 where all children automatically receive a free school lunch.

Key dates.
