## Governors.

Last term, Jo Osborne was the first Governor to tell you a bit about herself. Now Mr Shorrock has spoken to the school council and they have asked me to print some of his responses.

### How can you improve our school?

Mr Shorrock replied.....

'I check on the teachers and test them to make sure they are doing their jobs properly. I support the staff to make decisions that helps the school run smoothly and performs well.'

### Which things do you think are going well?

'The pupils are always very happy and the atmosphere in school is always positive and good. Standards are always high and there is very little staff absence, which shows that staff are happy too. The standards here are much higher than at my own children's school'
