## Attendance.

Well done to 2M, 3L and 5L who were last week's best attenders. Some extra playtime is coming your way!

## Health and Safety.

Scooters. We are very happy for the pupils to come to school on their scooters. However, some children have been using these in the playground under the supervision of their parents and other children have been hurt. If your child does use their scooter after school, please ensure that they are using them safely so that no child or adult gets hurt.

Thank you

## Children in Need.

This is on Friday 17<sup>th</sup>. The school council have asked that children and staff wear pyjamas or onesies to school and bring a contribution of a £1.00 OR donate a small new toy, gloves, socks, toiletries or a book for the Birmingham City Mission collection for needy children in Birmingham. This way we can raise money for Children in Need and help local needy young people.

## Triple G arrives at Greenholm.

This week sees the arrival of our anti bullying hero 'Triple G'. They can be contacted by pupils from home via text or email and they will pick up the messages the next day and help pupils sort out what is bothering them.

All pupils know that if someone does something that they don't like, they have to tell a member of staff and they will always help sort it out, but we know that sometimes things bother young people not when they are at school but when they are at home. If they can text or email their worries, we can help them to sort these out the next day.

Triple G is a going to be visiting all the pupils this week and may even be visiting parents in the playground too!
