Attendance.

Last week's best attending classes were 2C and 3T. Well done and extra playtime is coming your way!

Water Aid – Harvest Thursday 24th October 2019

We are focusing on Water aid for Harvest this year. The School council have suggested that on **Friday 25th October** all children, and staff, come to school in their pyjamas and bring in 50p for water aid. The children will be looking at the work this charity does to bring water to children in difficult circumstances around the world. This links to UNICEF article 6, which states that all children have a right to life and without clean drinking water, this is impossible.

Our Harvest celebration will be on Thursday 24th October and Reception parents are welcome to attend that assembly at 2pm with refreshments afterwards in the dining hall.

Birthdays.

Just a reminder that children should not bring in sweets to share for their birthdays but instead donate a book to their class library. It would be great if they were able to write in the book the name of the child that donated it and the birthday that was celebrated. Thank you

Shout outs!

Has a member of the staff team impressed you recently? If so, send in a Shout out so that I can share this with the team. Please email your Shout outs to my email address. Thank you

Last week

- Some year 6 pupils who are in the choir went to perform at the Hippodrome.
- Everyone had their photo taken!
- Year 2 enjoyed their best reading breakfast and had a reading workshop afterwards.
- We had Raggi from Living streets in to talk to the pupils about walking to school.
- KS2 had a parliament assembly.
- We had an assembly about Benjamin Zephaniah, who is an African Caribbean poet from Handsworth, Birmingham, who struggled with dyslexia.
- Ava Packer Sturridge came in to see the excellent practice in Reception and year 1. She was very impressed as always and felt Reception had really settled in well.

PA meeting.

This will be on Friday 18th October at 9am in the staff room. Please try to come along and support if you are able. The PA raise LOTS of money for the extras in school, such as the assault course and the climbing frames, and we have lots to plan, discos, Christmas and a quiz night.

Health and safety.

Water – please ensure that your child has a drink of water to have through the day. Please do not send in squash or any fizzy drinks, as these are full of sugar and very unhealthy.

Uniform – Please ensure that your child has the correct school uniform including proper shoes. Can I also ask parents to make sure that uniform is labelled so that we can return this!

Parking – Please ensure that you park SAFELY so that pupils are safe. **Parking on the verges is dangerous for pupils.**
